GROVE CITY COLLEGE

GETTING STARTED

Helpful Information

Registration

How to Register is found here. You will find How to Register about ¾ of the way down the page.

Sample Syllabi

Sample syllabi may be found here. Note that these are only samples; a more official syllabus will come from your professor when your course begins.

Advising Guides

Advising guides are useful to help determine your path through the start of college. Advising guides can be found here. Select the top date range under "Status Sheets" and then select the major in which you are most interested. The first page of the guide will tell you the courses you will need to take at Grove City College; the second page will help you determine the order in which you might want to take the courses.
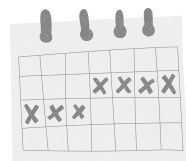

Synchronous Course Details

Synchronous course information is found here. [Go to the end of the document and click on "this file".] Some professors do not post their synchronous times until a few weeks before the course starts, but the ones who do post them are listed on this document.

Technology Requirements

The technology requirements can be found here.

Academic Calendar
