Current and new MBA and MSBA students gathered for a dinner in June. They had the chance to meet each other in person, as well as meet several members of the graduate faculty.

Dr. Christy Crute, Associate Dean of Graduate and Online Programs, spoke to the attendees about upcoming events, such as the November 2022 Graduate Residency on campus, and the Spring 2023 Graduate Residency abroad.

Speaking about the dinner, Dr. Crute said, "It was wonderful to have the graduate students and faculty together in one place. Grove City's growing graduate programs are full of talented people with impressive resumes. I'm excited to see what is next for them and for the program."
